

LARGE GROUP NOTES 11.01.17

JESUS IS FULLY _____ AND FULLY _____ .

... The Bible teaches that Jesus is God is by showing that He has all of the attributes of God. He knows everything (Mt 16:2; Luke 11:7; John 4:29), is everywhere (Matthew 18:20; 28:20; Acts 18:10), has all power (Mt 8:26, 27; 28:18; Jn 11:38-44; Lk 7:14-15; Revelation 1:8), depends on nothing outside of Himself for life (Jn 1:4; 14:6; 8:58), rules over everything (Mt 28:18; Rev 19:16; 1:5) never began to exist and never will cease to exist (John 1:1; 8:58), ... In other words, everything that God is, Jesus is. For Jesus is God.

Jesus' humanity is displayed in the fact that He was born as a baby from a human mother (Luke 2:7; Galatians 4:4), that He became weary (John 4:6), thirsty (John 19:28), and hungry (Matthew 4:2), and that He experienced the full range of human emotions such as marvel (Matt. 8:10), weeping, and sorrow (John 11:35). He lived on earth just as we do.
